Dubrovnik (Croatia)

Learn new technique from Gold Medalist & former JUG star Niksa Dobud. Private hourly trainings take place directly in the Adriatic Sea. Accommodation in a local apartment.

Combination Individual Training in Croatia & Montenegro

Get the best of both worlds by spending time in both water polo power-cities. In Montenegro individuals stay with Coach Damir and train with the local Primorac team. In Croatia, athletes train privately during hour-long sessions with Gold Medalist & former JUG star Niksa Dobud.
